

# WOVEN RUGS

# WOVEN, the mission

*The mission for 2017 was to updated all existing products in colours, patterns and sizes. Clarify our offer and updated with more contemporary design and add more Edge & Signum rugs.*

- Increase the luxury and elegance feeling of our woven product range.
- Update the colours, the yarns, the effects of the existing products
- Clarify our offer
- More and larger standard sizes!

# CASTLE

# CASTLE

## *Woven Chenille rug in wool and linen*

*Maja Johansson's rug Castle is influenced by antique jacquard tapestries, velvet drapes and ceramic structures. The rug consist of three pattern images, two of which function as borders and the third part dominating the rug's surface. The elegant collection of small scale patterns leave plenty of room for the materials and stylish colour palette to shine through.*

Sample size: 30x60cm.

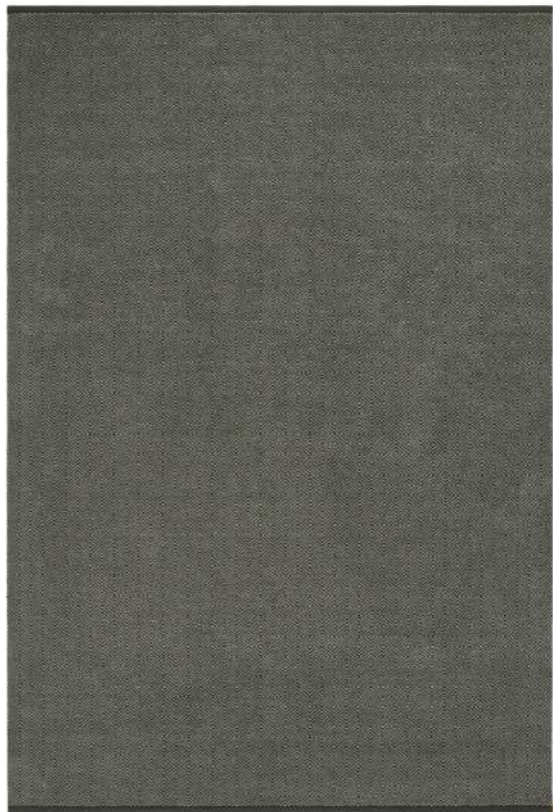

CHENILLE FAMILY

# CHENILLE FAMILY

## *Woven Chenille rug in wool and linen*

*Chenille is a collection made of Kasthall's six most popular designs in six colour ways. It is woven with a chenille yarn of wool and linen that is manufactured by hand in Kasthall's Kinna factory. The element of linen adds shine and a little harshness within the wool, and every rug exudes luxury in true Kasthall spirit, with a beautiful, lustrous finish.*

# CHENILLE INGRID

A modern living room interior. In the foreground, a dark wood coffee table with a curved edge sits on a large, light-colored rug with a repeating chevron pattern. To the right, a blue velvet armchair with a wooden frame and curved backrest is positioned. A gold pendant light hangs from the ceiling. The background wall is light blue with a gold decorative band near the floor. The text "CHENILLE CHARLES" is overlaid in the center.

CHENILLE CHARLES

# OTHELLO

# OTHELLO

*Woven rug 100% wool*

*Maja Johansson's rug Othello is influenced by industrial materials, braided rope and surfaces of bags and shoes. It has a small but clear pattern image. The woven rug has three different coloured blocks in equal sections, where one colour is allowed to dominate each specific section. The impression is eclectic, playful yet classic and clean.*

# BLOOM ICON

# BLOOM ICON

*Woven rug 100% wool*

*To create Bloom Icon, The Kasthall Design Studio got their inspiration from plants and various oil paintings, where barren nature meets foggy city. Even the landscape around our factory, with beautiful natural roughness and mist-shrouded lakes, fields and meadows have influenced the expression and colour nuances.*

# TUFTED RUGS

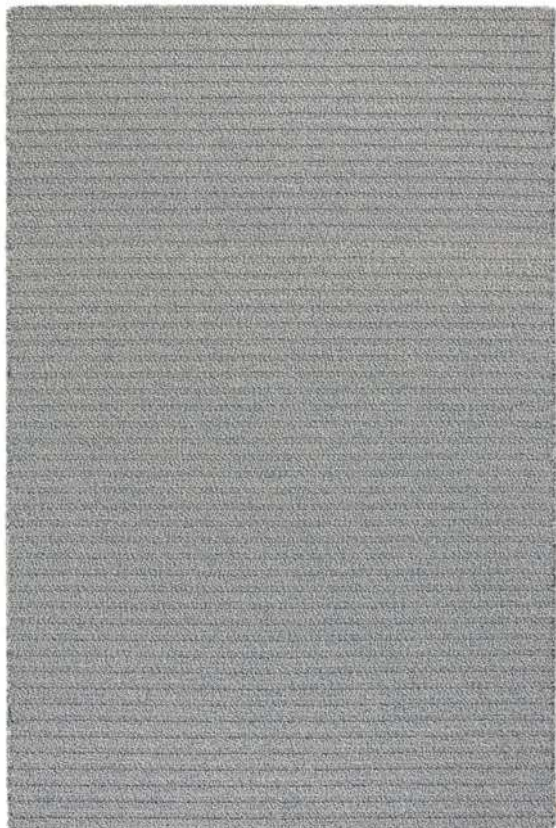

# FIELD

# FIELD SMALL

*Tufted rug 100% wool*

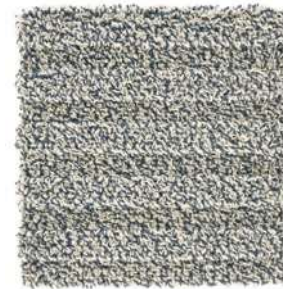

*Field is constructed in a new tuft quality – LOOP, a bouclé in two different pile heights, built on a formula of three strands in wool yarn. This creates two dimensions of stripes, like fields ploughed in rows. The material and yarn is the focus of the rug, which gives it an honest and clean feeling of raw tweed and crafts. A raw, cut edge frames and ends the rug, which is available in a wide stripe (Medium) as well as a narrow stripe (Small).*

# MADISON

# MADISON

## Tufted rug 100% wool

*Maja Johansson's Madison is tufted in bouclé in two different pile heights. The surface is made of three-threaded wool yarns to create a cohesive mélange in an architectural grid pattern with both broad and delicate lines. The rug's quality gives it a sturdy and honest feeling. The inspiration comes from urban environments and architecture, silence, footsteps, knitted pullovers and matelassé.*

INES

# INES

## *Tufted rug in pure wool & linen*

*Maja Johansson's Ines has volumes lines of wool and linen yarn, with a contrasting surface in low bouclé. It is a sister to Kasthall's iconic rug Moss. The design is timeless, elegant and eccentric and born from experiments with paper folding and collage techniques, Where hard shapes and lines meet with volume, straight shapes that are messed up surfaces which are deconstructed*
